

Prof. Dr. Med Michael Faensen

Head of the Centre for Joint Replacement - Hip Resurfacing – at the DRK
Kliniken Berlin | Westend

Birmingham Hip Resurfacing nach McMinn, BHR
Birmingham Mid Head Resection nach McMinn, MBHR
Metall-Metall Großkopfprothesen

An internationally acclaimed specialist, having been trained in this modern technique by the initiator Derek McMinn in Birmingham, England, and now, with over 2000 resurfacing and 200 mid-head resection operations, has developed our centre into one of the world's most experienced departments. Prof Faensen has become a renowned expert and teacher in this field.

This Centre has membership in the Association for the Study of Internal Fixation, The German Association of Trauma Surgery and the German Society for Biomaterial Research. It is the reference center for hip resurfacing in Germany.

Working Experience

- 1975 - 1989 Senior Physician and Professor of the Department of Trauma and Reconstructive Surgery at the Free University in Berlin
- 1989 - 2003 Director of the Department of Trauma and Reconstructive Surgery at the State Hospita District Schöneberg (Tempelhof)
- Since 2003 Founder of the Centre for Hip Resurfacing (Birmingham Hip Resurfacing) at the DRK Kliniken Berlin
