

Dr. Mauricio Marcos

Dr. Mauricio Marcos received his medical degree from the Universidad Autónoma de Nuevo León. He completed residency at Hospital San José Tec of Monterrey and his fellowship in both Rio de Janeiro and Parana, Brazil, studying plastic surgery under the legendary surgeon Dr. Ivo Pitanguy. Dr. Marcos' practice offers all types of cosmetic surgeries and body contouring procedures which he has perfected during his 14 years of experience in Monterrey, Mexico. He is board certified by the Mexican Association of Aesthetic, Plastic and Reconstructive Surgery, and an active member of both the Brazilian Society of Aesthetic Plastic Surgery, and International Society of Aesthetic Plastic Surgery.
