

Dr. ISMAIL B.CAYIR

Aesthetic, Plastic and Reconstructive Surgery

I was born in Bursa, Turkey in 1967.

After graduating from high school, I enter Marmara University Medical School in 1984. Following one year of English prep school I graduated in 1991 and got the right of medical doctor. Between the years of 1992 and 1998 I had been specializing in aesthetic, pastic and reconstructive surgery in Istanbul University Medical Faculty, Department of Aesthetic, Plastic and Reconstructive Surgery.

During my education I had been in Miami University Department of Plastic Surgery as a visiting surgeon in the subject of craniofacial surgery and aesthetic surgery with Stephen A. Wolfe, Professor of Plastic Surgery in 1995. In 2006 and 2008 I was in Toronto Plastic Surgery Center as a visiting plastic surgeon.

After that I have been working as a qualified Plastic Surgeon in private practice in Istanbul. In addition to working in my office I have been working as a Aesthetic, Plastic and Reconstructive Surgeon at Hisar Intercontinental Hospital which is accredited in Joint Commission International USA and Jinemed Hospital.

During my plastic surgery career, I regularly have been following and joining national and international symposiums, congresses and meetings about aesthetic, plastic and reconstructive surgery. I have 12 national and 3 international papers published in prestigious journals in Europe and USA.

My clinical interests are Aesthetic Surgery, Maxillofacial surgery, Laser asissted aesthetic surgery (laser liposuction, lipolysis etc.) and hair transplantation
